

MECH4012 Heat Transfer - Test 2

Spring 2022

04/22/2022

- The exam will have 4 sections: problems and/or conceptual questions
- 2 hours
- Chapters 1-3, 5-8, 9 (comprehensive, with a focus on Chapters 6-8 and 11)
- Review the course material, homework/quiz problems, and problems we worked out in class
- You can bring 1 side of a page **equation sheet** (hand-written), **calculator** and **writing utensil**. The equation sheet from exam 1 will be provided as well.
- Write down all steps to get full credit!
